

## BACCARAT JACKPOT

Revitalising Traditional Baccarat.

CMS Progressive Baccarat progressive side bet offered for Baccarat can be played in addition to an initial wager on either Player or Banker.

## MYSTERY JACKPOT

In CMS-8888 Jackpot, players bet on the combination (suit) and frequency of 8's dealt, either as part of the initial 4 card deal, or from the total of drawn cards.

The three top progressive Jackpots are shared equally between all those who placed a bet on the sensors.

### Benefits.

When CMS progressive Jackpot combined with 8888's, casino operators can also choose to incorporate a Mystery Jackpot to award a randomly selected player for simply participating in the Jackpot game.

With the new Power 8's side bet, casino can now capitalize on Baccarat's popularity by encouraging more wagers, which ultimately results in increased revenue.

Baccarat Statistics and Macao style scoreboard.

Baccarat is a game steeped in superstition.

The vast majority of players keep careful track of the shoe history, and now they can do it with the aid of CMS Progressive Jackpot screen that show every hand since the shoe began. The statistics screens display the shoe history present it in traditional Macao style way:

Baccarat trends are recorded on as many as five standard roads - The Big Road and The Bead Plate and the three other "derived" roads - Big Eye Boy, The Small Road and The Cockroach Road.
